Exhibition Sections

Materials handling and storage technology
- Storage and handling systems
- Automation and control systems
- Cranes, lifting gear
- Continuous handling equipment
- Lifts
- Handling equipment
- Conveyors
- Luggage handling
- Wheels and castors
- Parts and accessories

Warehousing and operational equipment
- Racks, rack systems
- Rack operation equipment
- Shelf inspection and repair
- Protection for columns and shelving
- Order-picking equipment
- Kanban and organizational solutions
- Hall and marquee construction
- Partition walls, works office and office cabins
- Hall floors and floor refurbishment
- Hall and outdoor lighting
- Cleaning equipment for warehouses and storage facilities
- Heating and air-conditioning systems
- Ladder systems
- Industrial doors, door seals
- Work mats
- Workplace systems
- Storage and floor-marking systems
- Floor protectors and dirt-trapping mats
- Handling and storage of hazardous goods

Warehouse and production controls / Robotics
- Control systems and equipment
- Production robots
- Manufacturing Execution Systems (MES)
- Fine planning
- Workforce planning
- ERP and PPS systems
- Planning and development
- Research and technology

Packaging, weighing, measuring and franking
- Retunable and non-returnable packaging
- Industrial packaging
- Padding materials and edge protection
- Packaging materials
- Pallets
- Packaging and unpacking machines
- Pallet inverter and dispenser
- Palletising robots
- Shrink and stretch systems
- Hooping techniques
- Weighing and metering equipment
- Measuring systems and equipment
- Franking systems
- Packing development and consultancy

Loading technology and systems
- Loading ramps, loading bridges
- Hydraulic platforms, lifting tables, adjustable ramps
- Transhipment equipment
- Loading and unloading equipment
- Security technology for loading zones
- Tensioning straps and chains
- Antislip mats
- Antislip pallets
- Ram-protection products

Order-picking systems
- Automatic order commissioning
- Pick-by-voice
- Pick-by-light
- Pick-by-colour
- Pick-by-scan
- Pick-by-weight
- Pick-by-vision, smart glasses
- Gesture-controlled order picking
- Electronic pick lists

Labelling and identification
- Identification systems
- Printed labels and labelling machinery
- Auto-ID / RFID / NFC / Barcodes
- Labels, ink, supplies
- Transponder technology
- UMTS-GPRS-WLAN
- Hardware / Readers

Software for Simulation
- Supply-chain simulation
- Simulation of manufacturing scenarios
- Simulation-supported fine-planning of production
- Robot simulation
- 3D-simulation solutions
- Strategic consultation

Software for storage systems
- Storage management software
- Storage control systems
- Data transmission
- Material-planning software
- Hardware

Software for stock management, inventories and archiving
- Inventories
- Stock management
- Controlling
- Document management
- Archiving

Energy, environmental technology, recycling and waste disposal
- Energy supply and management
- Renewable energies
- Batteries, battery management and rechargers
- Waste treatment
- Waste air/water processing
- Compaction systems for recovered waste
- Feeder systems

Security
- Buildings/site security
- Safety at work
- IT security
- Fire Safety

Outsourcing partners
- Storage
- Recruiter
- Facility cleaning
- Data centres (EDI/ASP)
- General contractors

Logistics Facilities
- Logistics locations
- Location consultancy
- Logistics properties
- Insurances
- Finance

Consultation, planning and implementation
- Corporate and logistics consulting
- Personnel consultants
- SAP consultation and integration
- Finance, leasing, rental
- Insurance

Authorities, organisations, training and media
- Trade associations
- Universities and colleges
- Other educational establishments
- Institutes
- Media

Voice from Exhibitors 2019

“For SSI Schaefer, everything meets our expectations. We have quite a number of visitors who seeks for information and knowledge. This a successful year for us.”

Mr. Sarawut Laoprasert, Country Manager, SSI SCHAEFER SYSTEMS INTERNATIONAL Co., Ltd

“From my perspective, Interroll has a specific group of customers who look for Warehouse Solution. At Intelligent Warehouse 2019, people come to see us for advice and discuss about what would work for their business. I could say that Intelligent Warehouse 2019 is a great exhibition.”

Mr. Grisorn Nakapong, Managing Director, Interroll (Thailand) Co., Ltd.

“I believe that Intelligent Warehouse 2019 has given us the new opportunities in the market. Being a part of Demonstration Show, it’s an opportunity for us to share our Technology Knowledge to people.”

Mr. Dhosapon Chaiyapornparn, Head of Sales, Swisslog Thailand

“A lot of people visiting Intelligent Warehouse 2019 to look for warehouse system to develop their own business.”

Mr. Nakarin Romfahthai, Sales Manager, LPI Rack Range (Thailand) Corp., Ltd

“We received a warm welcome from organizer, visitors and also exhibitors. To me, Intelligent Warehouse is a good show.”

Mr. Krit Thanabupakhon, Senior Sales Executive, Loscam (Thailand) Limited

6 good reasons to attend LogiMAT | Intelligent Warehouse 2020

1. Contacts that count

At LogiMAT | Intelligent Warehouse you have direct contact with strategists from the top levels of management and hands-on managers in purchasing, production, IT, warehousing, and shipping.

2. First-class location

LogiMAT | Intelligent Warehouse takes place in the heart of Asia and is the largest intralogistics marketplace of international significance. Its location adjacent to expressway is more convenience, Delivering decision-makers from Asia and around the world directly to your booth.

3. Signature accompanying program

Experts offer presentations on cutting-edge issues right in the exhibit halls. This generates synergies and sensitises visitors to what you have to offer. The BEST PRODUCT prize is among the most prestigious awards in the industry.

4. Efficient marketplace with a clear profile

LogiMAT | Intelligent Warehouse offers a comprehensive overview of the market, all in one place and in the space of just three days. The clear layout of the convention centre and short walking distances help you make the very most of your visit. For attendees, this means more time for business and networking.

5. Top value for your bottom line

Flexible booth solutions mean that exhibitors with any budget can make a big splash and interact with industry professionals alongside their competitors. That’s a price-performance ratio that pays.

6. Quality without compromise

Continuous investments in quality are one reason for LogiMAT | Intelligent Warehouse’s excellent reputation internationally. This kind of continuity pays off for you
