Announcement on Postponement of LogiMAT | intelligent Warehouse 2020

LogiMAT | Intelligent Warehouse 2020, planned to be held in Bangkok, Thailand from 13-15 May 2020 has been postponed to a new date to August 5-7 ,2020. The venue will still remain as IMPACT Exhibition Centre. Due to the increasingly acute global situation around the recent occurrence of the coronavirus.

This decision has been taken after careful consideration and in the interest of exhibitors and visitors and, above all, to protect the health of all attendees. The organizers assessed that the actual situation will not guarantee the quality of the exhibition and will not create enough business opportunities for our exhibitors and visitors under the current circumstances. Ninety-Five percent of the exhibitors and supporter also agreed with organizers that the postponement of the event is the best solution and have therefore confirmed the decision to move their participation to August 2020, trusting that the situation will improve during the next few months.

LogiMAT | Intelligent Warehouse 2020 is thus re-scheduled in August 5-7, 2020.

We apologize for the inconvenience caused by the postponement, and thank you for your kind understanding.
